Non-uniform or Mufti Day

At school we usually wear our school uniform.

When we wear our school uniform, we all have similar clothes and look smart.

Sometimes, we have special days and we can wear our own normal clothes (not school uniform).

It is fun to go to school in different clothes.

This may be to raise money for a charity, or on a special occasion such as World Book Day.

My school adults and parents or carers will help me prepare for non-uniform days

by using a calendar to help me see when the day is.

My parents or carers help me choose what to wear on a non-uniform day.

When it is a non-uniform day, I will looked forward to seeing what other children will be

wearing.

On a non-uniform day, it is ok not to wear school uniform.

My school adults, parents, carers and friends will be proud of me for wearing my

non-uniform clothes.

The next non-uniform day will be on _____

It is a non-uniform day because _____
