

Year 2	Geography		
KS1 Objectives	Autumn 12 lessons	Spring 12 lessons	Summer 12 lessons
	Locality IOW and the United Kingdom	The World The Continents and Oceans	Non-European Study Africa (Kenya)
Focus	Physical: seas, countries, geographical features Human: landmarks, maps & directions	Physical: continents, oceans, geographical features, weather Human: landmarks, maps & directions	Physical: land use, weather, major features Human: major cities, transport, trade
Locational knowledge: name and locate the world's seven continents and five oceans	To name and locate the Isle of Wight as part of the UK, and the UK as part of the continent of Europe and its surrounding oceans.	To name and locate all continents and oceans.	To name and locate Kenya as part of the continent of Africa.
Locational knowledge: name, locate and identify characteristics of the four countries and capital cities of the UK & surrounding seas	To name, locate and identify the four countries, their capitals and surrounding seas.		
Place knowledge: understand geographical similarities and differences	To understand the similarities and differences between the Isle of Wight and London. To compare the four countries of the UK. Look at similarities (rivers, mountains) and differences (weather).	To explore and compare the continents. Look at geographical similarities and differences (weather, deserts, forests, mountains etc.).	To compare Africa to the UK. Look at geographical similarities and differences.
Human & Physical Geography: identify seasonal and daily weather patterns		To investigate weather patterns and typical seasonal weather across the continents.	To compare Africa's weather to ours and explore how it affects daily living/ trade etc.
Human & Physical Geography: identify the location of hot and cold areas of the world in relation to the equator and north and south poles			To compare the location of Africa, The Arctic and the UK and how the location of the equator affects the climate of both countries.
Use geographical vocabulary to refer to key human and physical features: including city, town, village, shop, office, valley, vegetation, season and weather.	To explore key landmarks and natural features on the Isle of Wight. To label location of seas, and key physical landmarks (White Cliffs of Dover, Ben Nevis, Snowdon, The Thames and Giant's Causeway etc.), incl. mountains, rivers, seas on a map.	To locate, identify and describe some physical features, from a country within each continent, on a map.	To locate major towns, key landmarks, transport etc. on a map of Kenya.
Geographical skills and fieldwork: use world atlases and globes to identify the UK & other countries studied	To locate the Isle of Wight in the UK and name some other local towns and cities on a map. To locate England, Scotland, Wales and Northern Ireland on a map.	To locate Europe, and the other continents, on a map/globe. To locate the oceans on a map.	To locate Kenya, and its capital and major cities, on a map and know how far away it is from the UK.
Geographical skills and fieldwork: use simple compass directions (N, S, E, W) and locational language (far, near), to describe the location of features and routes on a map	To identify features and landmarks on the Isle of Wight that are N, E, S and W. To locate key routes to travel across the Isle of Wight. To plan simple routes on maps of England, Scotland, Wales and Northern Ireland.	To locate the continents in relation to Europe using N, E, S and W. To use geographical language to describe the relative position of physical landmarks across the continents.	To describe the location of major cities in relation to Kenya by using N, E, S and W.
Geographical skills and fieldwork: use aerial photos and plan perspectives to recognise landmarks and basic geog. features	To use aerial photos and plan perspectives to recognise and label simple landmarks and geographical features of the Isle of Wight and the UK.	To use Google Earth to recognise major physical landmarks and geographical features (E.g. Ayres Rock, The Grand Canyon, The Eiffel Tower, The Thames, The Amazon).	To look at aerial photos of Kenya and identify key landmarks and geographical features.

Year 2	Geography		
KS1 Objectives	Autumn 12 lessons	Spring 12 lessons	Summer 12 lessons
	Locality IOW and the United Kingdom	The World The Continents and Oceans	Non-European Study Africa (Kenya)
Focus	Physical: seas, countries, geographical features Human: landmarks, maps & directions	Physical: continents, oceans, geographical features, weather Human: landmarks, maps & directions	Physical: land use, weather, major features Human: major cities, transport, trade
Geographical skills and fieldwork: devise a simple map and use and construct basic symbols in a key	To plot simple geographical features using symbols on a map of the Isle of Wight. To plot human features (landmarks) on a UK map.	To create group maps of the world and plot physical landmarks on the continents, creating basic symbols as a key.	To create a map of Kenya and plot key physical and human features, constructing a key using basic symbols.
Geographical skills and fieldwork: use simple fieldwork and observational skills to study school grounds and key features	To complete a fieldwork study of Isle of Wight landmarks.
